

## MAKING WAVES

## SUMMER 2010

Welcome to the first edition of MAKING WAVES. With summer fast approaching, it's time to get ready for the new sailing season. AusSea Sailing School has something to offer every sailor, from the Start Sailing & Inshore Skipper courses for novices to the Spinnaker & Offshore courses for the more experienced yachties. And for the super fanatic, we have race packages for twilights and of course there is always the Nationals. For more information contact us on 02-9592 3565 or check out our website [www.ausseasailingschool.com.au](http://www.ausseasailingschool.com.au). Happy Sailing!

### Start Sailing

We've kicked off this season with new students doing the Start Sailing and the Inshore Skipper courses and of course, everyone is having a ball. The courses are run 7 days a week and two times a day to cater to everyone's needs. Don't forget that you can practice for up to three months after completing the courses, an ideal way to keep your skills up. Phone us for more details on 02-9592 3565.

### Anyone fancy a bit of twilight racing?

The twilight races start again in October. We're offering all (former) students a race package, which allows them to participate in three Friday twilight races for \$100. And drinks are on us!

On the 10th of October AusSea Sailing School is organising the 2nd Club02 Regatta. After a brief introduction we'll split everyone into boats followed by a race on Kogarah Bay.

Afterwards everyone is welcome to join us back in the Botany Bay Yacht Club club house for a barbie and drinks. Club02 members can join the regatta for just \$75, while non-members can participate in this fun event for \$100. If you would like to join us, please send an email to: [heather.kelley@clubo2.com.au](mailto:heather.kelley@clubo2.com.au)

## **J** **24** Australia

On a very exciting note, one of our students, John Gill, will participate in the J24 NSW State Championships in Gosford on the 2nd & 3rd of October. He'll join our principal Marc van Dinther

and others on Slippery Fish, which will represent AusSea Sailing School and South Sydney in the Championships. We wish John all the best and lots of fun in Gosford. If you would like to join us for the National Championships on Sydney Harbour in January, so contact us now to find out how! (Spinnaker Course compulsory)

### Ocean Sailing

Anyone for an offshore passage? Please contact the office if you're interested in learning the basics of navigation and to get some ocean miles under your belt. We'll stay overnight on the boat (a 37ft+ yacht) and sail from Sydney Harbour to Port Hacking or vice versa. Get in quick - places are limited to six students per trip. Send an email to [melodie@ausseasailingschool.com.au](mailto:melodie@ausseasailingschool.com.au) or call 0419 229 522 for more information.

### Sailing fever

Help AusSea Sailing School spread the sailing bug. Old and current students who would like to introduce friends & family to sailing will receive a gift voucher -valued @ \$75 (3 hours sailing)- for every new student they introduce to AusSea Sailing School.

And finally, don't forget to visit us on Facebook and become a fan today!

Send an email to [melodie@ausseasailingschool.com.au](mailto:melodie@ausseasailingschool.com.au) if you would like to be removed from the distribution list.
