

## MAKING WAVES

## May 2011

This year **AusSea Sailing School** introduced a whole new range of courses. Aside from the standard Yachting Australia Keelboat Courses, ranging from novice to advanced racing courses, we now offer a new and very exciting offshore day course. It's an ideal way to test your sea legs, to learn more about coastal navigation, do some night sailing and find out how to plan a safe coastal passage. On Saturday 4 June we'll be doing a coastal passage from Botany Bay to Sydney Harbour and back again. For this course we'll be chartering, a Farr 36. If you're interested you'll have to be quick because there's only one spot left! Phone us on 9592 3565.

### START SAILING – WINTER SPECIAL \$100 OFF ALL YA KEELBOAT COURSES

Winter is a great time to get into sailing, especially with our Winter Special - \$100 off our entire YA Keelboat range. AusSea Sailing School runs Keelboat Crew, Helm and Seamanship Courses (this course is new and is the next step up from the previously named Inshore Skipper Course) all the time. Many new students have joined us in the past few months and have caught the sailing bug. Our courses run seven days a week, two times a day to cater for everyone's needs. And don't forget that you're also able to practice in the three months after completing the courses, an ideal way to keep your skills up. Please phone us for more details on 0419-229 522.

### BAREBOAT SKIPPER COURSE

If you've always wanted to cruise the Whitsundays or charter a yacht in the Mediterranean then the Bareboat Skipper Course is for you.

During this course we'll teach you everything that's involved with chartering a yacht, from basic navigation, tidal charts, weighing an anchor to power and water consumption. We'll stay overnight on a charter yacht (37+ footer) in pristine Pittwater to get you in the mood for some great charter trips. Get in quick – places are limited to six students per trip. Phone us on 9592 3565 or email [melodie@ausseasailingschool.com.au](mailto:melodie@ausseasailingschool.com.au).

Don't forget to visit us on **Facebook**. You'll find lots more interesting information on events, links to videos and lots of photos. Come on, visit us and become a fan today!

### ANDRENALIN SAILING

Have you finished the Keelboat Courses and would you like to get the blood pumping? Then it's time for some serious fun and excitement with our Keelboat Spinnaker Course or Keelboat Racing Course. During two full days you'll learn how to pack, rig, hoist and drop a spinnaker, how to gybe a kite and what it's like to be part of a racing crew. We'll do three sessions of three hours in which you'll be helming the boat, trimming the kite and act as the bowman. During the last session we'll actually take part in a spinnaker race to put everything we've learned into practice. This course runs monthly and can also be given on your own yacht to train with your own crew. Give us a call if you would like more information. And if you book this course in May and June it will only cost \$495 instead of \$545. Phone Marc on 0419-229 522.
